Event details

The Sejm invites you to a night walk through the buildings on Wiejska Street. As every year, the interior of one of the most important buildings in Poland will open for one night to everyone. The tour will lead through places known from media reports, as well as those less frequently seen on a daily basis. This time, in addition to the usual halls such as the Main Hall, the Sejm Chamber Gallery, and the Column Hall, the corridors will also be open. This famous corridor surrounding the Sejm Chamber is, on a daily basis, a place for unofficial, behind-the-scenes discussions among MPs.
