Event details

The Geological Museum invites you to an exciting night among breathtaking minerals, stunning rocks, and fascinating fossils. Immerse yourself in the treasures of the Earth under the mysterious night ambiance, where light and sound create a one-of-a-kind atmosphere. This special evening is designed to engage all your senses—sight, hearing, and touch—all centered around the Earth's fiery heart, represented by the dark and powerful volcanoes. For this one night only, they will awaken from their deep slumber just for you...

Practical informations

Participation is free. No registration or notification is required. The event is intended for the specified group of people for whom it is dedicated. Visiting takes place during designated hours.
