Event details

For some, the Polish Peoples Republic (PRL) is synonymous with an oppressive political system, lack of freedom, and the struggles of everyday life. For others, it evokes nostalgia for childhood and youth. Is there anything worth revisiting? What should be remembered, and what should be forgotten? Are telephone booths, typewriters, and transistor radios relics of the past, or valuable historical artifacts? Would you take a road trip abroad in a Maluch? Does coffee from a 30-year-old espresso machine taste the same as today's brews?

Practical informations

Participation in the event is free of charge. No registration or sign-up is required. The event is intended for the specified audience for whom it is dedicated. Tours take place during designated hours.
