Event details

Joanna Majewska and Magdalena Zarychta combine their worlds in the Bliska Pavilion. The exhibition of painting, photography, ceramics, and glass will tell a story of the interpenetration of light and matter, emotions, and form. Joanna Majewska will present expressive painting and portrait photography, capturing emotions frozen in frames. Magdalena Zarychta will showcase multidimensional objects – paintings, ceramic forms, and glass sculptures, where light breathes life into structure and space. The joint exhibition is a meeting of two individual artistic languages, intertwined in a dialogue of

Practical informations

The joint exhibition is a meeting of two individual artistic languages, intertwined in a dialogue of shapes, colors, and sensitivities.
