### Event details:

Although we often run, cycle, scoot, or commute through this street, we rarely ponder where it came from, why its named as such, and whether that name is still relevant today. During the tour, we'll learn about the history of some palaces, churches, and the former cemetery, and the cherry on top will be an opportunity to enter the recently-opened Verte, Autograph, five-star luxury hotel in the former Branicki Palace. Along the way, we'll discover the extraordinary history of the 18th-century palace.

### Practical information:

The walking tour, which will take place regardless of the weather, is led by city guide Elżbieta Kunowska, a member of the Warsaw Branch of the Polish Tourist and Sightseeing Society (PTTK).
