## Event details:

Join us in participatory mural painting. We'll be decorating a new cultural spot on Warsaw's map. The mural project depicts organic forms of mushrooms, moss, and lichens. Painting skills are not necessary – we'll be filling in the sketch, much like painting by numbers. The finished artwork will include sensory elements. Painting is easy, you'll fill in the ready-made outline on the wall. During breaks, we invite you to relax in the chill-out zone and view the current art exhibition.

## Practical information:

Necessary equipment, music, and refreshments will be provided on site. The pavilion has a capacity of 49 people at once. Free admission, led by MAL staff.
