### Event details

“Jaśnie Oświecone” – these are artworks emitting light, light objects, installations, and neon signs. WOW! The theme of light in the exhibition is both a visual and spiritual issue with a developmental focus as an anthropological and sociological matter. Artworks gathered as carriers of energy permeating different levels of reality. The collective exhibition features the Light Eleven: Alicja Żebrowska, Hubert Czerepok, Magdalena Pela, Leon Tarasewicz, Krzysztof Franaszek, Paweł Błęcki, Kamila Mróz, Mateusz Choróbski, Alexandra Grant, Wojciech Leder, Dominik Lejman.

### Practical informations

Additionally at 8:00 pm: Psychoanalysis of the work. Session with the participation of artists Magdalena Pela and Paweł Błęcki assisted by psychologists.
