Event details

Museum Night will be a perfect opportunity to relax and discover the museums secrets. The program includes guided tours of the permanent exhibition, special activities for teenagers, and for the youngest visitors – exploration of the mini-exhibition Rest Here in the Family Education Area and participation in a family puzzle game. On this night, there will also be a unique opportunity to see the museum through the eyes of its staff, who will guide visitors through their favorite places, usually inaccessible to the public, and share where they love to relax.

Practical informations

Participation is free. No registration or notification is required. The event is intended for the specified group of people for whom it is dedicated. Visiting takes place during designated hours.
