Event details

We invite you to visit the church built in 1781 according to the design of Szymon Zug. You will have the opportunity to explore the church's interior and see the Brest Bible—a 16th-century Polish translation of the Holy Scriptures. The Night of Museums is a rare occasion to view this historic Bible, as it is not normally accessible to visitors due to its significant historical value. For this special evening, we have also planned two short organ concerts performed by our parish organists, as well as an open choir rehearsal.

Practical informations

Open choir rehearsal: 8:00 PM – 8:30 PM Organ concerts will take place at 8:30 PM – 9:00 PM and 9:30 PM – 10:00 PM (each lasting approximately 25 minutes). The Brest Bible will be available for viewing from 9:00 PM to 10:00 PM.
