Event details

AFTER THE RAIN | SCULPTURE UNDER THE PLANE TREE Jan Sajdak – He works in various fields of art, experimenting. A significant area of his expression is Land Art, art created from natural materials and placed in the open air, in harmony with the surrounding landscape. The artist, based in Żoliborz, has been incorporating his work into the space of the Fosa Park and the Citadel slopes since 2018. One of the main materials of his artistic expression is wicker, woven willow branches. The wicker sculptures Venus from the Moat and Water Birds can be seen at the bottom of the moat, and during the
