Event details

On the night of May 17, 2025, the Palace will come alive with mysterious sounds, stories, and images that will transport visitors to another dimension filled with forgotten legends and historical tales. We invite you to an evening full of experiences – from narratives about past times to mysterious stories related to the site itself. During the event, guests will have the opportunity to experience an extraordinary atmosphere that blends tradition with history. It will be an evening where the past and its legends take on a new dimension. 6:00-6:05 pm: Guest welcome and introduction
